REPORT NO. 25X1TOPIC Evacuation of WUSTROW PeninsulaEVALUATION See belowPLACE OBTAINED 25X1DATE OF CONTENT See belowDATE OBTAINED 25X1PREPARED 25X1REFERENCES 25X1PAGES 7 ENCLOSURES (NO. & TYPE) 25X1REMARKS 25X1

25X1 1. Efforts were being made by German authorities to find other accommodations for the refugees who had occupied the kasernes of the former RERIK (M 55/O 51) AAA School. No indications that the airfield or firing range were to again be put in operation were observed.

25X1 2. The evacuation of the Peninsula of WUSTROW (M 55/O 51) was started.

3. An airfield and port installations for the Soviet Navy were to be constructed in the evacuated area.

25X1 4. The evacuation of refugees from the kasernes of the former RERIK AAA School was in full swing. All farmers and fishermen of the vicinity also had to leave. Soviet air bases were to be established on the peninsula.

25X1 Comment:

a. This report confirms the evacuation of RERIK as given in press reports, according to which the evacuation of RERIK and PEENMUENDE was allegedly effected in connection with the reconstruction of the former German V-missile test station. This has not been confirmed.

25X1 b. According to reports on RERIK 25X1 all the airfield installations were destroyed and the kasernes of the former AAA school were occupied by refugees. The technical installations of the school were also destroyed.
